

**STATE OF CONNECTICUT  
DEPARTMENT OF PUBLIC HEALTH  
BUREAU OF REGULATORY SERVICES**

In re: CRP, LLC

Petition No. 20000406-053-017

**CONSENT ORDER**

WHEREAS, CRP, LLC of Plainville, CT (hereinafter "respondent") has been issued license number 000278 to practice as an asbestos contractor by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 400a of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent admits that:

1. In or about February 2000, respondent was the licensed asbestos contractor for an asbestos abatement project at Stowe Village, 42-44 Kensington Street, Hartford, CT (hereinafter "the Hartford property"). Said project involved the removal of approximately 10,660 square feet of asbestos containing floor tile.
2. On or about February 29, 2000, during a Department inspection of the asbestos abatement project at the Hartford property, respondent failed:
  - a. to ensure that no person leave the asbestos abatement work area unless first decontaminated by showering, wet washing or high efficiency particulate air (hereinafter "HEPA") vacuuming to remove all asbestos debris; and
  - b. to ensure that the work area was equipped with an operating worker decontamination system that included, without limitation, a shower room with a warm water supply to the shower and a filtration system to filter all waste water by best available technology prior to discharge.

3. In or about February 2000, respondent was the licensed asbestos contractor for an asbestos abatement project at 463 Hartford Road, New Britain, CT (hereinafter “the New Britain property”). Said project involved the removal of the following approximate amounts of asbestos containing products: 1,445 square feet of floor tile, 30 square feet of roof cement, 12 square feet of window caulk and three square feet of sink coating.
4. On or about February 29, 2000, during a Department inspection of the asbestos abatement project at the New Britain property, respondent failed to ensure that the work area was equipped with an operating worker decontamination system that included, without limitation, a shower room with a warm water supply to the shower and a filtration system to filter all waste water by best available technology prior to discharge.
5. The above described facts constitute grounds for disciplinary action pursuant to Chapter 400a and §19a-332a(b) of the General Statutes of Connecticut, taken in conjunction with §§19a-332a-1, 19a-332a-2, 19a-332a-5(i), 19a-332a-6(a), 19a-332a-6(b) and/or 20-440-6(b) of the Regulations of Connecticut State Agencies.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest this matter and agrees that for purposes of this or any future proceedings before the Department, this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-10, 19a-14 and Chapter 400a of the General Statutes of Connecticut.

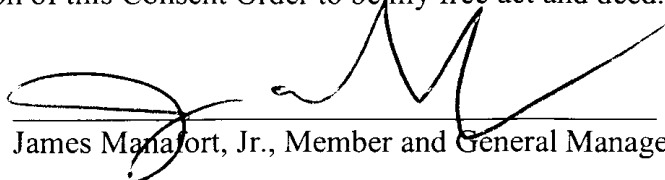

NOW THEREFORE, pursuant to §§19a-14, 19a-17 and Chapter 400a of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives its right to a hearing on the merits of this matter.
2. Respondent’s license number 000278 to practice as an asbestos contractor in the State of Connecticut is hereby reprimanded.
3. Respondent shall pay a civil penalty of three thousand dollars (\$3,000.00) by certified or cashier’s check payable to “Treasurer, State of Connecticut.” The check shall reference

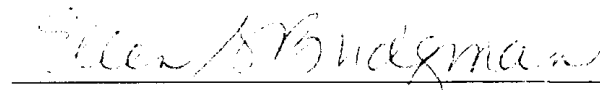

the Petition Number on the face of the check, and shall be payable at the time respondent submits the executed Consent Order to the Department.

4. Respondent shall comply with all state and federal statutes and regulations applicable to its licensure.
5. Respondent shall pay all costs necessary to comply with this Consent Order.
6. This Consent Order is effective on the date this Consent Order is accepted and ordered by the Department.
7. Respondent understands this Consent Order may be considered as a public document and evidence of the above admitted violations in any proceeding before the Department in which its compliance with this Consent Order or with Chapters 400a or 368l of the General Statutes of Connecticut, as amended, is at issue.
8. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that it may have under the laws of the State of Connecticut or of the United States.
9. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
11. Respondent has the right to consult with an attorney prior to signing this document.

I, James Manafort, Jr., Member and General Manager of CRP, LLC, have read the above Consent Order, and I represent and warrant that I am fully authorized and empowered to bind said limited liability company. I hereby stipulate and agree to bind CRP, LLC to the terms as set forth therein. I further declare the execution of this Consent Order to be my free act and deed.

  
James Manafort, Jr., Member and General Manager

Subscribed and sworn to before me this 27<sup>th</sup> day of June 2000.

  
Notary Public or person authorized  
by law to administer an oath or affirmation  
My Commission Expires September 30, 2004

The above Consent Order having been presented to the duly appointed agent of the Commissioner of the Department of Public Health on the 27<sup>th</sup> day of June 2000, it is hereby accepted.

  
Thomas Furgalack, Director  
Division of Environmental Health
